In addition, in connection with litigation concerning some of the fraudulent billings, the defendant was questioned by attorneys for the insurance companies. In the files referenced in paragraph 3, below, copies of transcripts of said depositions are included.

2. Defendant's Prior Record under Rule 16 (a)(1)(B)

Enclosed is a copy of the defendant's prior criminal record.

3. Documents and Tangible Objects under Rule 16(a)(1)(C)

All books, papers, documents and tangible items which are within the possession, custody or control of the government, and which are material to the preparation of the defendant's defense or are intended for use by the government as evidence in chief at the trial of this case, or were obtained from or belong to the defendant, may be inspected by contacting the undersigned Assistant U.S. Attorney and making an appointment to view the same at a mutually convenient time.

4. Reports of Examinations and Tests under Rule 16 (a)(1)(D)

As of this date, the government has not requested nor received any reports of examinations in connection with the alleged injuries sustained by individuals in connection with the fraudulent billings that are the subject of the indictment in this case. However, on review of the files of these claims, you will note that some were the subject of independent medical

review, and alleged tests and examinations are at the heart of the allegations in the indictment. Thus, other than as stated herein, there presently are no reports of physical or mental examinations or scientific tests or experiments made in connection with this case.

B. Search Materials under Local Rule 116.1(C)(1)(b)

No searches were conducted or search warrants were obtained in connection with investigation of the charges contained in the indictment in this case.

E. Unindicted Coconspirators under Local Rule 116.1(C)(1)(e)

The names of known unindicted coconspirators as to the conspiracies charged in the indictment will be set forth in a separate letter to defense counsel, that will be filed under seal with the court.

F. Identifications under Local Rule 116.1(C)(1)(f)

Enclosed please find copies of photographs of the defendants that were used while questioning witnesses during the grand jury proceedings and witness interviews.

G. Exculpatory Evidence Under Local Rule 116.2(B)(1)

With respect to the government's obligation under Local Rule 116.2(B)(1) to produce "exculpatory evidence" as that term is defined in Local Rule 116.2(A), the government states as follows:

1. The government is unaware of any information that would tend directly to negate the defendant's guilt concerning any count in the indictment.

2. The government is unaware of any information that would cast doubt on the admissibility of evidence that the government anticipates offering in its case-in-chief and that could be

subject to a motion to suppress or exclude.

3. The following promises, rewards, or inducements have been given to a witness whom the government anticipates calling in its case-in-chief: Dr. Ranendra Chatterjee signed a plea and cooperation agreement with the United States. Please find copies of Chatterjee Information/Superseding, Plea Agreement and Order of Commitment.

4. Other than the witness identified in the previous paragraph who pleaded guilty to health care fraud, at this time, the government is unaware that any of its named case-in-chief witnesses have any criminal record.

5. At this time, the government is unaware that any of its named case-in-chief witnesses have any criminal cases pending.

6. No named percipient witnesses failed to make a positive identification of a defendant with respect to the crimes at issue. (However, not every "patient" who purportedly was treated by one or more of the defendants or at their clinics was able to identify that defendant.)

H. Other Matters

The government is aware of its continuing duty to disclose newly discovered additional evidence or material that is subject to discovery or inspection under Local Rules 116.1 and 116.2(B)(1) and Rule 16 of the Federal Rules of Criminal Procedure.

The government requests reciprocal discovery pursuant to Rule 16(b) of the Federal Rules of Criminal Procedure and Local Rule 116.1(D).

Please call the undersigned Assistant U.S. Attorneys at 617-748-3130 if you have any questions.

Very truly yours,

MICHAEL J. SULLIVAN
